

Join FS-ISAC in Singapore for the APAC Summit, 11-12 July and spend two days showcasing your products, services and people at one of the most respected information and cyber security events in the region. Who's going to be there – C-suite, security operations practitioners and management decision-makers and influencers from financial sector firms. This is a cyber mature audience that leans into learning and has great interest in working with solution providers to improve their tactical and strategic protection of assets.

With an excellent attendance ratio and abundant networking opportunities, your pipeline will surge with new leads, your current prospects will get to know you better and your current clients will be happy to see you. All sponsorships include:

- Full-event passes (see specific sponsorship for number).
- Company included on www.fsisac.com, on-site materials and Summit App.
- Lead Capture App (2 App licenses **max per company** tethered to 2 devices).
- Pre-event opt-in list – includes company, title, city, country.
- Post-event opt-in list – includes name, title, company, email, city, country and postal code.
